**Tri-C Hort Instructor Marie McConnell** (Lake County Nursery) is teaching a propagation class and would like to bring her students on a field trip to see how it works outside the classroom. For more information contact Marie at 440-578-5293 or email: [mmcconnell@lakecountynursery.com](mailto:mmcconnell@lakecountynursery.com). We are making progress! There are now 14 Representatives and 12 Senators co-sponsoring the bill to make April Ohio Native Plant Month. Next it goes into committee for discussion and then it will go before the assembly for a vote.

PLEASE continue to make your voices heard. It *DOES* make a difference - *YOU make the difference!* Just follow the link at [www.nglco.com](http://www.nglco.com) to locate your specific legislators and use their contact page to ask them to support the bill. *Thank you for your continuing support!*

\*\*\*\*\* **LOOKING FOR SOME STRONG YOUNG NURSERY HELP?** \*\*\*\*\*

Perry High School is hosting a **HIRING EVENT** from **3 to 5 p.m. on March 19**. This is not your typical Job Fair format. Students wanting to work this summer will meet with potential employers one on one for a real interview.

Employers will provide Career Planning Specialist Rita Soeder with the application and job description. Students will complete it prior to the scheduled interview on March 19 at the Perry High School.

For more information call:

**Rita at 440-259-9300 ext. 9320** or email: [SoederR@perry-lake.org](mailto:SoederR@perry-lake.org)
