A Note From President Doug Diehl

Hello Everyone;

As I write today, the rain is falling—a very welcome sight. Only a nurseryman might say that, but after a hot, dry summer with storms often passing us by, it's truly appreciated.

The fair weather was to our advantage on Field Day, though. It was a beautiful day at Debonné Winery, topped off by a thoughtful and reflective speech from Bill Hendricks.

I would like to once again thank everyone who participated, attended, and sponsored the event. I also extend my gratitude to the board members for their contributions in making this event possible. I'm pleased to confirm that Petitti Family Farms will host Field Day next year! It promises to be an exciting day, featuring tours and field demonstrations of new facilities and innovative equipment.

I encourage all members to invite a friend, colleague, or anyone in the green industry to come see what's happening in Lake County, Ohio. Our region has a long and proud history of nurseries—and there's much more to come as we continue working together to keep our industry strong.

Sincerely,

Doug Diehl
NGLCO President
